

SKEWED ORBIT STUDIOS

YOUR **GUIDEBOOK** TO ATLANTA'S

PREMIERE CREATIVE FLEX SPACE

BUILT FOR EVERY OCCASION.

CREATE SOMETHING DIFFERENT

welcome

Skewed Orbit Studios is perfectly located in Old Forth Ward along the Beltline. Our creative flex space is ideal for workshops, meetings, intimate gatherings, and creative content. This detailed guide ensures your booking process is seamless and answers all of your questions.

Skewed Orbit Studios was founded by married creative entrepreneurs, Alex Gettlin and Rachel LaForce. Eager visionaries, they dreamt up this space many moons ago in their first apartment in Los Angeles. They, their business and their family have grown quite a bit since that tiny apartment on Melrose, but the ethos remains the same. Skewed Orbit Studios is an adaptable venue intended to foster Atlanta's creative community.

Alex, Rachel, General Manager Ben Lombardi and our amazing staff of trained professionals are delighted that you're considering our space. We hope it's here that you'll ***creative something different.***

Cheers!
